Setting up your Patchs account

Visit our Patchs Website: [Patchs](#)

You will then see the below, select the box "Contact my GP practice":

Please read the following login screen and choose how you want to login:

If you "continue with Patchs" you will see the below screen, here you can create an account we advise you create an account to make it easier for you, here are some of the benefits of registering for a patchs account:

1. Not having to keep entering your details each time you use Patchs.
2. Your medical information being safer because its password protected.
3. Being able to track the progress of your requests.
4. Easily seeing if your GP practice is trying to contact you.
5. Viewing past conversations, you've had with your GP practice.
6. Being able to submit requests on behalf of people you care for.

– please see below highlighted red:

Practice, please contact them first before using PATCHS.

Create an account as a patient

Create an account as a carer only

Continue without creating an account
