

Submitting Patches on behalf of someone you care for

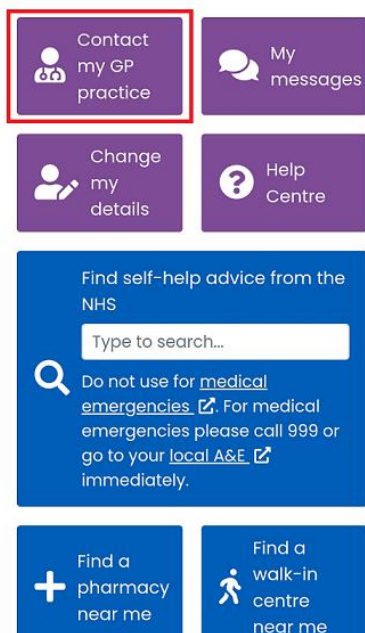

You cannot submit a Patches request on behalf of your child who is 18yrs and over, if you are a carer of someone over the age of 16yrs old we must have written consent.

Visit our Patches website: [Patches](#)

(If you need to register, please select the orange box “register/create account”)

Select the green box “Submit a PATCHS”

You will then see the below screen – select the box “Contact my GP practice” highlighted red below:

Choose how you login:

Once you have logged in you will see the following screen:

Select the box “Somone I care for”

You will see the following screen: You need to ADD “someone I care for” click on the link:

How can we help you?

Who are you making this request for?

[Add someone I care for](#)

[Back to start](#)

[Back to My Requests and Messages](#)

You will then see the foillowing screen, you need to add in the details of the person you care for. You only need to do this once and then click add:

Add details for someone I care for

Personal Details

[Why are we asking for this information?](#)
